Name of Applicant: _____
Present Address: _____
Location of Premises to received Electric Service : _____

Service entitled for: *(Please mark X)*

☐ Residential ☐ Low Voltage ☐ High Voltage

To be mounted with _____ units/s _____ KVA transformer/s

Transformer : ☐ ALECO Owned ☐ Privately Owned

Transformer Energy Consumption (Core Loss Only)

_____ kwh x _____ units = _____ KWH/mo.

BILLING FORMULA SHALL BE:

Total Transformer Core Loss + (Actual KWHr Meter Reading x Multiplier) x (Applicable Rate)

APPLICATION IS HEREBY made for electric service to be supplied by ALBAY ELECTRIC COOPERATIVE INC. (the "Cooperative") to be used by the undersigned and/or the Company the undersigned represents, in accordance with the terms and conditions of service, and Rate Schedule as indicated above and hereby agrees:

1. To avail of the electric service on a month-to-month basis automatically renewing unless otherwise terminated upon due notice within a reasonable time.
2. To pay monthly bill within nine (9) days upon receipt of the Notice of Billing (NOB).
3. To pay only to the ALECO Collection Offices and to authorized partners like Bayad Center including its digital partners (e.g, Gcash, Paymaya, etc), and other payment center/s that may be authorized by ALECO. (ALECO strongly prohibits field personnel to collect).
4. To report when my bill is not delivered on time.
5. To report any bill received under protest within thirty (30) days upon receipt otherwise the bill shall be deemed final and irrevocable.
6. Not to connect or illegally reconnect power supply once disconnected.
7. To report any illegal connection and not allow flying connection to supply disconnected consumers.
8. To pay surcharge of two percent (2%) compounded for every delay of payment after the due date.
9. To pay the cost of service drop wire in excess of thirty (30) meters.
10. To pay other applicable fees and charges relative to my application and that the payment of these fees is not a guarantee of providing service unless I have fully complied with all the requirements of my application for membership and electric service connection.
11. That after the Cooperative has disconnected my electric service, I am given only thirty (30) days to apply for reconnection, otherwise the drop wire and kWh meter will be pulled-out .
12. To pay the required bill deposit.
13. In case of termination of electric service, payment will be based upon presentation of the final bill. In the event of stoppage of or failure of my energy meter to register the kWh consumption, I likewise agree that I shall be billed for such period on estimated consumption based on my previous month.
14. To notify the Cooperative of any increase of my connected load and pay for the additional bill deposit.
15. To pay all my unpaid accounts and the applicable reconnection fee prior to restoration of service if the same has been previously disconnected due to delinquency and/or violation of contract and/or my failure to comply with any of the rules and regulations of the Cooperative.

- 16. To allow employees and/or representatives of the Cooperative to enter my premises without being liable to trespass for the purpose of inspecting, installing, reading, disconnecting service, replacing or otherwise disposing of its apparatus.
- 17. To pay the cost of necessary repairs or replacement in the event of loss or damage to property of the Cooperative through misuse or negligence on my part or of my employees or household members.
- 18. That if I tamper, interfere with or break seals or meters or other equipment of Cooperative, it will hold me responsible for the same in accordance with law.
- 19. That the Cooperative reserves the right to determine the location of the meters and its transfer if necessary and to discontinue service if entry of access is refused, obstructed or is hazardous.
- 20. That I likewise agree to the Cooperative’s reservation to discontinue service in case of the following: (a) non-payment of bills; (b) adjusted bills due to stopped/defective meter; and (c) failure to comply with any of the terms and conditions of service and any of the rules and regulations now in existence and such may from time to time be adopted by the Cooperative or in case of or to prevent fraud, the Cooperative may adjust my bill accordingly
- 21. I shall indemnify, save harmless and defend the Cooperative against all liability, claims, judgement, cost and expenses for injury, loss or damage to person's property on account of defective construction, wiring and appliance on my side of the point of delivery.
- 22. That a dispute as to the amount of bill or the credits to be allowed against the same, will not justify any refusal on my part to pay the bill when due, but upon payment of said bill I will inform the Cooperative in writing that the bill is disputed stating the amount and reason for dispute. The Cooperative will forthwith investigate such complaint and if such investigation shall disclose that the claim is just, the Cooperative will make proper refund or credit the amount due to my next monthly bill.
- 23. That the Cooperative does not guarantee continuous service, but shall use reasonable diligence to provide uninterrupted service hereunder all having used reasonable diligence shall not be liable for damage for failure or suspension of same. The Cooperative reserves the right to suspend service without liability in its part at such times, for such periods and in such periods and in such manner as may in its judgement required for the purpose of making necessary repairs on the lines or other part of its system.
- 24. That this application shall be considered a Contract when the connection is made by the Cooperative.
